MIA

We like Mia. A lot. That flowing blonde hair. Those pert, peachy tits. That suckable, fuckable arse. And she seems to like it too, judging by the time she's spending looking at the lot in the mirror. "How else are you supposed to get your technique right?" she asks, bouncing up and down on her fingers. "I want to see what he's seeing. Don't you boys ever 'practise' in front of the mirror?" Erm, we think that might put us off sex for life, Mia!

Sous Chef

My wife had been out to her boss's leaving party and had come knocking at 4am with him in tow. She was pissed out of her head, so I told him to help her upstairs and he didn't refuse.

In her room I pulled Anna's dress up over her head, leaving her in her bra and knickers. I told her boss to put her to bed while I went and locked up. I thought he was going to have a heart attack as I left!

When I got back, I immediately lifted Anna's legs and presented him with her soaking cunt. He took his enormous bell-end and placed it at the entrance to her cunt and started to push. His knob gradually began to disappear as Anna moaned for a good fucking.

After a couple of minutes Bob got into a steady rhythm, nearly pulling right out of Anna before lifting her up and plunging into her cunt each time. This lasted for a couple of minutes before Bob erupted inside Anna while she groaned her appreciation and begged him to let her suck his cock.

While I quickly took his place he allowed Anna to suck the remaining spunk from his bell-end, only stopping to watch while I drove in and out of my wife's stretched cunt.

What do you think of my photos of them?

Dave, Herts.

Spa Swap

My girlfriend Jo and I just went to a local swingers club for the first time.

Jo shaved her pussy and wore a black, tight-fitting latex dress with a low cut halter neck and short mini-skirt. She wore no bra or knickers.

We entered the club, bought drinks at the bar, and had a wander round. In the main lounge a guy was sitting on a couch with only a towel wrapped round him.

Jo said that she thought he was very good looking, with a great body, and that she fancied talking to him, so we sat down.

Jo asked him his name, which was Lee, and asked him if he went to a gym, because she thought he had a really great body.

Lee told Jo that she looked great too, and that her tits were amazing, and that he could see her stiff nipples through her dress. Jo opened her top, showing him both her tits, and asked Lee if he'd like her to get up and do a lap dance for him.

He said he would love the idea. Jo told Lee to open his legs and she stood in

between them. She started to dance sexily, moving slowly and stripping to show him one nipple and then both. Following on, she got one boob out and then both. Her top was now around her waist. Jo went on to lift up her dress and flash her pussy.

After a few minutes, Jo took off her dress completely and stood there, absolutely naked. She danced in front of Lee and opened her legs, spreading her pussy lips and fingering herself.

Jo started to push her nipples into Lee's mouth and asked him to lick and suck them, which he did. Lee said that Jo must be getting turned on, because her nipples were standing out like bullets. She said that she was really turned on, and suggested that Lee should feel between her legs to see how wet she was.

Lee reached down and started to feel her pussy. He said that it was soaking. Then Lee said that his cock was really stiff too, and Jo unwrapped his towel and freed his large cock. Then she knelt down in front of him and started to suck on his cock.

After licking his cock like it was a lollipop, Jo climbed onto the couch with her feet either side of his legs. She grabbed hold of his cock and rubbed it up and down her wet pussy slit. Finally, after teasing him like this for a minute, she squatted down and his cock entered her. She rode him like a woman possessed, and it wasn't long before they came to a noisy, messy climax.

After pulling herself off Lee, Jo went to the ladies to freshen up and get changed. When she came out she had put on a bikini, and suggested that we should go to the spa bath the club had. We headed over there, followed by about four guys who had been watching Jo's performance with Lee intently. The guys stripped off and entered the water just after us. They surrounded her and she smiled sweetly. One guy leaned in and started to kiss her, and when she didn't object, the other guys started to touch her up.

First Jo's bikini top was removed, quickly followed by her bikini bottoms. She was wanking off two of the guys and being fingered by a third as the fourth felt her tits. The guys lifted Jo out of the spa bath and laid her down at the side on her back. Then they all knelt around her.

One guy was licking her pussy, one had his cock in her mouth, and the other two had grabbed hold of a tit each. They all took it in turns to get a blow job and to fuck her pussy. They each came quickly, and then kissed her and walked away. I went over and asked her if she'd enjoyed herself. "Yes," she said, "but I'm ready to go home now." We headed off, only stopping in a quiet lane on the way home so that I could fuck her.

WE'RE GOING TO NEED MORE THAN THAT, LAUREN!
THAT'S ANOTHER FINE MESS YOU'VE MADE IN YOUR PANTS!
ERM, WHAT DO YOU THINK YOU'RE DOING WITH THAT?

Dear Julia

Ava DaLUSH (vol 34 no 1) had both my wife and I drooling. We'd love a few hours of dirty fucking with her. Jo especially says she'd like to sit on her pretty face and have her cunt eaten out while watching me bury my cock balls deep in her tight little arsehole. Although my dirtiest request would be to have my length wanked off with those gorgeous feet of hers! Just lovely, Julia.

Swingers Steve and Jo, Halifax.

Julia says: Knowing Ava, she wouldn't bat an eyelid at your request!

DEAR JULIA

Dear Julia

I have just bought *Escort* vol 34 no 2. I love the pictures of Jasmine, "My nuddy Valentine". She has a lovely cunt and great piss flaps. I would love to lick her out and have her suck my cock so I could fill that lovely mouth of hers with my spunk. I also had a great wank over the pics of Kristine in the New Forest, in Flash on Camera. The pics of her outside the pub are the best.

Alan, Lancs.

Julia says: Back to the "lab" for me – I'm a big fan of Jasmine's meaty flaps too! Why not tell her how much you like them on Twitter @arubajade

Dear Julia

A big thank you to Lizzie and Vixen for sharing their oh-so-sexy photos.

I'm slim, young, with a big thick cock that's always ready for a good sucking. Any chance of getting a phone number of either of them?

James, Notts.

Julia says: I've got their phone numbers, James, but I'm keeping them for myself. Soz!

SEX WITH ALL THE STRINGS

This month Daisy muses about being a massive wanker and why she misses being one.

Is it true that people in relationships no longer masturbate, because we have more sex? Or is it just my friend H that thinks that?

She was explaining (or boasting, depending on which way you look at it) that she frapped off six times in one morning. I was jealous and told her as much. "Yeah, but you don't need to finger yourself silly, Daisy. You have sex on tap."

Pfft, yeah right! What the fuck does how much sex I have got to do with wanting to thrash one out on my own? Is there a rule somewhere, that if you're in a relationship your frigging rights are suspended? Clearly they're different types of shagging: sex with your lover takes more energy and there's the other person to consider. Sometimes, the only person you want to consider is yourself and go straight for the buttons that get you there.

Being in a relationship does not mean you no longer desire going solo. Girlfriends, boyfriends, wives and husbands need alone time too.

Now that's cleared up, let's get to the real reason people in relationships don't wank as much: it's because someone else is always fucking there! Simple really. Doing the five-finger dance is a lot harder when you're part of a pair. Since moving in with Mr B, I pleasure myself a lot less, because there's not the same opportunity for alone time.

My need to flick the bean gets so desperate that I unashamedly wank myself off in bed despite the fact Mr B is lying next to me. I've became quite skilled at being quiet and only moving my fingers, but my orgasms often wake him up. For a while I got away with telling him I must have been having a nightmare. That stopped working when he cuddled me once and noticed how wet I was between my legs. I tried to explain it was a very sexy nightmare, but that didn't work.

Guys, have I crossed a line? Is it super-offensive to indulge yourself when your partner's in bed with you? I get it if it was a friend you were having to bunk in with for the night and they caught you mid-shuffle, but it's not. It's your lover, who you've enjoyed mutual masturbation with on many occasions. Mr B seemed to think I'd gone too far though. When he asked why I didn't go to him if I was feeling horny, I explained that sometimes I just want to indulge in a bit of DIY, but time alone in bed is so limited and if I reached breaking point and didn't engage my fingers with my clitoris pronto, I might explode.

That's another thing: I get wank-envy. Mr B is able to knock one out anywhere, any time. I don't want to generalise, or say this is the rule for everyone, but tossing off is easier for men. He gets his me-time in the shower. I'm jealous that he can stand in there and spank that monkey. Often in under ten minutes and usually he has up to three showers a day! I'm envious of any woman that can do that too, but personally speaking, I can't orgasm when standing up and a lot of the time it takes more than ten minutes.

I make myself cum by being cosy in bed on my back with a vibrator. The key, though, is being able to indulge in my filthy fantasies of kinky doctors strapping me down and examining me very thoroughly. It's tough to conjure up the right images when the shower water keeps going from hot to cold and you only have a ten minute slot to wash your hair and shave your legs before a housemate bangs on the door.

I miss being a massive wanker and I can't be the only coupled-up woman that does. So next time your other half says she's popping upstairs to do "stuff", or wants an extra half hour in bed on a Saturday, be the bigger man and let her have it.

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

From crystal nipples to getting up close and personal with her friend's pussy, Mary-Anne reveals the joys of working in a strip pub

My first job in a strip club when I was 18 wasn't as a stripper, it was as a waitress. The problem was that I was really shit at it. On my first night working in Stringfellow's I managed to spill an entire tray of champagne over Peter Stringfellow. It didn't go down well (*I think it went down perfectly – Ed*) and needless to say a second shift didn't arrive, but I realised that I was fascinated by stripping, could be much better at it and earn more money than bar work.

Having been a dancer, I already felt confident that I had the moves, it was just a case of doing it naked. Starting off in the big London clubs was tough and for me the atmosphere wasn't right. Luckily, it didn't deter me. There was something I knew I enjoyed about the profession and really wanted to do, just not in the big clubs. Later, I discovered the East London strip bar scene. I can't imagine being anywhere else. Twelve years on and I still love it!

Pub scene stripping is certainly a different world – it's a lot more fun; you're surrounded by creative people; you get to pick your music and your costumes; there's more interaction with the other girls and clients. Also, it's all cash rather than credit cards, which is good for us and the customers and the house fees are really fair. I'm a bit of an advocate for strip clubs being run this way.

My whole job is to clock on to what someone's fantasy is and then fulfil that within the realms of the strip club. I wouldn't say that I have a special skill like pole dancing – it's about judging what the client would like to see. This makes my job a lot of fun, because I get to play around with so many personas. There is an element of acting required in being a stripper.

There's a lot more freedom in strip pubs compared to big clubs. I get to choose all of my music and this often inspires my performances. Nothing is choreographed, it's all off the cuff. The only thing that dictates my choice in music is the day of the week. For example, Saturday nights usually see a very young crowd come in and a lot of stag do's, so you'll choose something recognisable. On a Monday afternoon however, it's guys on their lunch break, or retired men, so it's best to avoid the techno!

But I put a pound in already!

> **"My whole job is to clock on to your fantasy and fulfil it within the realms of the strip pub"**

It wasn't quite what the Uffington tourists had been expecting

If it's not music I'm inspired by, it's a costume idea. Easily one of the sexiest strips I did was because I had a great costume going on and I got off on it just as much as the crowd. It was Christmas, so the bar was heaving. I did a strip tease to the song *Jungle Fever* and was wearing a Santa-inspired costume comprising these super tiny shorts made from red velvet and a little top. At a precise moment in the song I unzipped the top and it pinged open to reveal these awesome, red Swarovski nipple covers. Usually, because a strip has to be full nude the crowd expected to see my tits bouncing around, not diamond nipples. The place *erupted* and everyone was very appreciative for something a bit fun, cheeky and a complete surprise!

Sometimes it's nice to turn the tables and be on the receiving end of a dance. There are times when I'm sitting with a client and then they want to pay for one of the other girls to come and dance for us. The bars are quite small and we're all friends there, but it's quite different when they come over and start performing their show. It's not embarrassing, but you can be like, "Oh, there is my really good friend's pussy in my face," and if they're performing on a podium you see *everything*. Watching a dance this way helps you understand how much of a challenge it can be for clients sometimes to not touch – a strict rule in the bar I work in. It's all there and up-close, so I understand how it can be an intense experience for them.

I've also been into strip clubs and paid to have a dance with a girl that I've thought is a fabulous mover. It's an appreciation thing. I had one dance in San Francisco and there was this girl that had an amazing hip movement, plus she was really beautiful with a Hawaiian look. It was a lap dancing club and she ended up grinding in my lap the whole time, which didn't do anything for me because I don't have a penis. I wanted to see her dance. But I came away needing to pee from her grinding on my bladder the whole time!

Misspellings, tramp stamps, horrible Chinese symbols – we're weren't a big fan of inked girls until we saw Cardiff girl Lauren's tatts in the flesh. (Yes, that is Woody Harrelson on her left leg. REAL WIFE SEX

Kayleigh, Hants

PUT YOUR HANDS ALL

No way will I say exactly where I live, just that we get a lot of squaddies in the local area – and me and my mates take full advantage, and let them do the same! We're talking big, fit blokes, who may not have had any sex for ages. And, as my best friend Lucy puts it, we're scary when we've had a few so, only brave lads need apply!

Recently, we got lucky at our local, with two of our boys, Max and Billy. They had a mate with them, Dave, but he didn't pull, so we invited him to party and crash with us at Lucy's.

He wasn't as hot as the two we'd landed, but he was a laugh, so Lucy and I decided he shouldn't have to sleep on the couch – spare cock isn't always a bad thing anyway! That's how the five of us ended up in her room – good thing her double bed is solidly built.

Max wasn't going to share me first time round, so Lucy did the threesome honours. Billy wanted sucking, so Dave was happy to have her sit on his face, pussy grinding on his mouth as she gobbled his mate's helmet.

Lucy can be shy about eating food in front of blokes, but not cock! She was noshing away, dribbling spit all down her chin and down his shaft, working it over his length with her hands. Then, suddenly, she just deep-throated the whole lot of it, cupping his balls to hold them still as she actually licked them!

"Whoa!" Billy said, and Max breathed a "Fuck me…" too when he saw this. Dave, with Lucy straddling his head, was in the dark but, not wanting to miss out on seeing any more action, asked her if she'd mind sitting on his dick instead.

Billy didn't object – he wanted sucking all the way off – so they shunted down further, Lucy's mouth still wrapped around his prick, blowing him even as she put his mate inside her cunt.

Max was torn between giving my boobs a good sucking, fingers knuckle-deep in my wet cunt. But as I wanked his rigid dick, I got another plan.

Dave was moaning that all he could see now was the back of Lucy's head – like, what had he expected? So he

Kayleigh does her duty with her booty and services some servicemen...

was pleased too when I walked over to the bed and bent forward over it, arse up in the air. He was close enough to cop a feel of my tits, making me squirm with pleasure as he teased my nipples. Meanwhile, Max was stripping off his unzipped trousers and T-shirt, then he positioned himself behind my wiggling arse.

She dribbled spit all down her chin and his shaft

L. OVER MY SQUADDY!

I stood still, breathing in deep as his cock probed along my slit, brushing my clitoris, then I breathed out again, long and slow, tightening my cunt around him as he pushed in.

He didn't thrust much, just stayed buried in me and circled his hips, enjoying the little jerks and flutters of my body as his cock touched my most sensitive spots, and Dave sucked away on my tits. Then Max's fingers crept down and around, stroking my belly and mound, before finding my clit.

This drove me even more crazy, my spread arse-crack and pucker grinding up against his pubes. I moaned for him to stick a finger in my arsehole – the hard suck on my tit told me Dave would love that job – then I came really hard and sudden, my cunt tugging on Max's prick.

Now he began to fuck me, pumping in and out, rocking me back and forth so all Dave could do was fondle my boobs. I felt myself cum again, like a little echo of the first one, then Max stiffened up behind me, hanging on till the last split-second before pulling out and slapping his wet dick against my crack.

He didn't even have to wank or rub it

Banging night

My boyfriend Michael and I have very high sex drives, so we both have several 'fuck buddies' who understand our arrangement.

So when Michael introduced me to his best friend Peter, saying "Now you two can keep each other company of an evening now and then," I knew what he was hinting at. And I liked it!

So the next time he was on nights, I invited Peter over for a drink. I decided I was feeling bold enough to suggest watching porn too.

I sat on his lap and kissed him. He gripped my hips and pulled me down hard on to his pelvis. He undid his flies and released a decent sized prick and I dropped to my knees.

I flicked my tongue over his helmet, licked down the shaft and played with his balls before taking his length in my mouth. He gasped that he'd "never been deep throated before." He gathered a handful of my hair, leaned back and fucked my mouth until his pre-cum and my saliva ran down my chin.

"You are without doubt the dirtiest little slut I've ever met," he said, spanking my arse.

"Please... please... fuck me, fuck me hard!" I yelled until he shoved his prick inside me, making me yelp with pleasure.

I was nearly screaming as I came, pushing back against his body, responding to every thrust. He pulled out and shot his creamy load all over my red, stinging slapped arse. Exhausted, I fell into bed, but I was too restless to sleep.

At around 2am, Luke, a friend from college messages me; "Drunk and horny, you up for it?" The idea of fucking one guy straight after another turned me on so much that I sent back; 'ALWAYS up for it. My place, 10 mins?'

When I opened the door we barely made it through the hall before he had my pert tits out of my top and was nibbling and pinching my nipples. I took his hand, leading him towards the kitchen, where he lifted me up and sat me on the worktop.

He eased my pyjama bottoms over my hips and let them drop to the floor, revealing my shaven cunt. I shuffled forward and splayed my legs. "Mmmmm," he sighed and buried his tongue deep in my hole, lapping at my lips, his tongue softly touching my clit. He lifted me down and he lay on the floor as I straddled him, lowering

myself onto his knob.

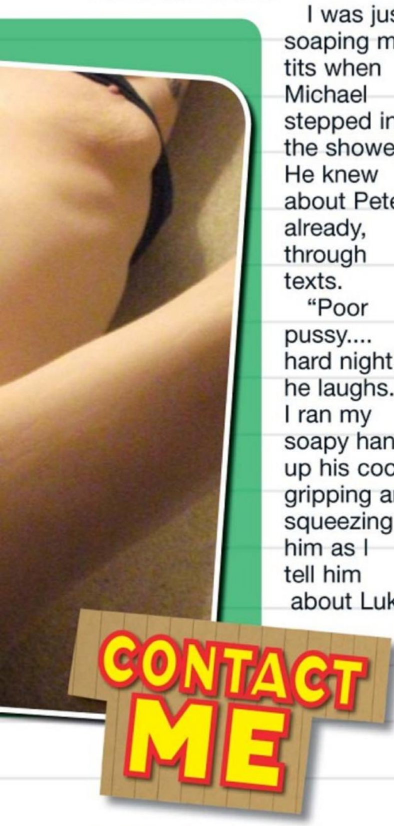
He watched it slamming in and out of me as I rode him hard and fast. I was close to cumming again but I slowed down, teasing us both by rubbing his helmet on my clit before sinking down to take his whole length in me again.

I love giving head so I stop riding him, take his knob deep in my mouth and raise my pussy over his face so he can lick me some more.

I love the taste of my cunt on his prick and that and his expert tongue has me on the edge again. I thrash out my second orgasm of the night, cunt pressed hard against his mouth as he shoots his juice in my face. I know he walked home happy that morning! I jumped in the shower. It was 7am and Michael was due home from work.

I was just soaping my tits when Michael stepped into the shower. He knew about Peter already, through texts.

"Poor pussy.... hard night," he laughs. I ran my soapy hands up his cock, gripping and squeezing him as I tell him about Luke fucking me too.



Michael's face was a picture! He thrust his huge dick into me in one stroke, ploughing hard and fast, my legs over his shoulders to feel him deeper as an enormous orgasm built in me.

"You are my third bloke in 12 hours, I am such a fucking dirty whore!" That does it both of us: we slam against each other, biting and moaning in a frenzy. My cunt contracts around him as I cum, jets of spunk pulsing in spasms into my very tender cunt.

I hope it turned you on hearing my story.

Ellen, Kent.

Zara was only supposed to be dropping off a package that had been misdelivered to her office next door but when she saw the sexy fun going on behind the boring facade of our building, she was intrigued – and very turned on! Before we knew it she was stripping off for our surprised photographer and we were fielding calls from her office wondering where the hell she was. These pics should fill them in!

DIRTY POP OUT!

You know those idiots who put open invites to parties on Facebook and wonder why their houses get wrecked? Well, meet one of those idiots – except the only thing that got smashed was her! 18-year-old Kiara explains: "My parents were away so I had a party. A few gatecrashers turned up, and I ended getting my own gates crashed through by a couple of them. They were really cute guys – we did it on my parents' bed. I straddled and fucked one, while the other splayed my cheeks and fucked me in the arse. Best shag ever!"

Bathing Booty

We went on holiday with my friend and her husband and she's always chuntering on about what a big cock he's got.

After too much to drink one afternoon I decided to stay by the pool of our villa while the other three went to the beach at lunchtime.

My friend's husband came back to see if I was going to come to the beach.

I declined but asked if he would rub some sun-cream on my back. Before he left he began to rub it on my back and then started on my legs, moving his hands up my thighs until I felt him rubbing between my legs for a moment, which made me jump.

But I never complained so this time he did it again – only much firmer and for a bit longer.

He could see I wasn't going to stop him so he put his hands on my bikini bottoms and pulled them off. He asked me to turn over, which I did, leaving myself completely exposed to him.

He put his head between my legs and started to lick me out. I held his head till I came all over his face and then he stood up and pushed his trunks down.

Fucking hell, I could see what she meant. It must have been at least ten inches with a big fat purple head that was absolutely seeping and glistening with pre-cum.

He moved this beast up to my head pointing his massive cock at my face and said, with a toothy grin: "My turn".

I gladly licked all around the tip, savouring his saltiness. I only managed to get the head of his knob in my mouth – there was no way I would be able to suck him off properly, it was just too big!

He held my head with one hand and slowly started to wank himself off with the other.

He asked me to start playing with myself, which I did, flicking my clitoris and penetrating my hole with two and then three stiff little fingers. He could tell I was close to cumming again and asked me if I liked tasting spunk. I just nodded.

He asked me to open my mouth and started wanking really fast. I knew he was close so I started flicking my tongue over the tip of his cock. He let out a groan and started to shoot. It went everywhere! Over my face and hair, in my mouth, over my tits. There was absolutely loads of the stuff. It was like he hadn't had sex in a year. But I don't think he was the kind of man to go without for that long.

After he'd finished he did no more than pull up his trunks, say thanks and go back to the beach, leaving me covered in his spunk while I frigged myself to another orgasm.

Tracey, Lincs.

I GLADLY LICKED ALL AROUND HIS SALTY TIP

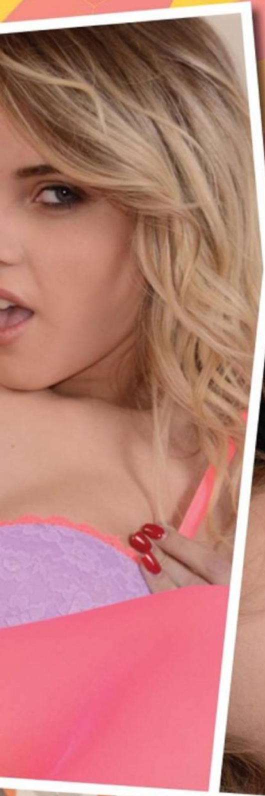
Chloe & Brook



The cheek of it! After a rampantly horny two-hour-long shoot, Chloe and Brook shooed us out and said they wanted half an hour on their own "without you nosy bastards!" And then they nicked our big brown dildo and put Blu-tack in the keyhole. They still made enough noise to wake the dead (and the Club International designer) and our imaginations have been running like mad ever since!

REAL WIFE SEX

Kayleigh's story continued from page 19

before he was shooting all over my lower back.

Now all eyes were on Lucy. Billy was really showing the strain and seeing Max's money-shot finished him off. Lucy took every drop of spunk in her mouth, looking back over her shoulder, mouth open wide to show us – now you see it – before gulping it all down – now you don't.

She was a selfish bitch, swallowing all that spunk

I told her she was a selfish bitch, swallowing it all, but she said I'd get mine soon enough. She spun around so she was sat on Dave's cock facing him now and, as she rode it, she started licking Max's spunk off my back.

"You fucking dirty slut…" moaned Dave – good thing she likes that kind of talk – then he spunked his wad up her.

She hauled herself off his prick, but hovered over it, frigging her slit as she straddled him, so the spunky juices dripped out of her hole. They splashed on his already sodden length and she told me to lick him clean.

I went easy on Dave at first, licking him everywhere but his cock. And by the time it was all there was left to lap at, he was hard and ready for action again.

Meanwhile, Lucy was asking who wanted her next. Billy fancied a go on her now – fair enough – but she was after a taste of me too. So picture me kneeling next to the bed with a mouthful of Dave's cock, straddling Lucy's face. Meanwhile, she was getting it missionary from Billy, whose

finger was getting busy in my arsehole. I moaned with pleasure as I rammed my arse round his rigid digit.

Max was happy to stand there wanking just for now, telling Billy to warm my bum up ready for what he'd be doing to it later on…

There wasn't much we didn't do that night together , although Max and I ended up sleeping one-on-one while Dave bunked with Lucy and Billy.

She kept going on about how we'd "done our bit for our boys" but servicing our servicemen didn't feel like something we did out of duty!

CHARLOTTE

"I'm quite old-fashioned I suppose," muses pert PA Charlotte from London. "I dress nicely, always wear stockings. I like men to hold doors open for me, buy me dinner and act civilised. I don't drink pints with the lads – God forbid! But treat me like a lady and I'll fuck you like a total slut!" Now that's the sort of old-fashioned we can get along with!"

Mary not Contrary

I met Sarah on the internet and hooked up for no-strings sex. We signed in as Mr and Mrs Smith, which we both found funny, and went straight to our room. Mary – which was this babe's name – told me to sit on the bed and watch. She slowly and seductively stripped for me, all the time telling me how much she wanted to feel my cock embedded in her pussy. She wouldn't let me touch her yet though! Soon she was down to just bra and panties – I couldn't wait for her to be fully naked and feel her flesh against mine. My cock was straining in my pants!

She turned around and instructed me to undo her bra, which I did. Then, standing facing me, she peeled her panties down, her pussy about an inch from my face. It was too much for me, and I grabbed her around the waist and buried my tongue into her cunt. She gasped as I found her clit, and her pussy juice started to flow over my tongue.

I tongue fucked her like that for a minute or so, and then she pushed me back on the bed and began to undress me. When my cock was finally released it was a relief – but not as great as feeling her warm, wet lips close around my helmet was she slowly took my cock into her mouth. She could only take the first four inched in comfortably, but her blow job style was still great. She bounced her head on my cock, and tugged at my balls, so that I could tell that she wasn't going to stop. She kept going until I jazzed over her tongue and lips – just like in a porno!

She got off the bed and bent over the back of a chair. I knew what I had to do, and my cock was up for more. I hardened myself up again by rubbing my cock over her wet pussy lips, and when I was stiff enough I sunk my cock in to the nuts!

Hair Bare Bunch

Sian twigged pretty quickly that I found her hair a real turn-on.

First off, she had me lying on my back, while she crouched over me and swished it over my body. Feeling it sweep over my chest and belly was enough of a turn-on, and when she stopped, tossing it back so I could see her face framed by her now-messy locks, I knew I was in for a downright dirty treat. Then she started brushing it over my cock and balls. I was already stiff as a post and this had me throbbing so hard it was almost painful.

What she did next was even more phenomenal. I'd told her how I like a long-haired girl to put her hair up while she was sucking my cock, and let it fall down just as I was on the point of cumming. She said she knew a better trick – and I found out that it was wrapping strands of her hair around my shaft, then wanking me.

That was probably the sexiest experience of my life. She left my helmet free, so she could have a suck on that whenever she felt like it, and a wank from her, even without the hair, would probably rank as one of the best I've ever had. One hand was cupping and squeezing my balls, while the other ran up and down my prick.

Next up – it's making me hard just thinking about it again – she moved into a sixty-nine, straddling my face with her gorgeous fluffy pubes, little clumps of them moist and sticky with her oozing fuck-juices. I didn't start sucking her straight away, I just buried my face

MY SPUNK SPURTED AND SOAKED HER HAIR

She started slow at first, gradually building up pace. I dug my dick in deep as she wanted it fairly hard. We stayed at a good steady rate for a while then she pushed back harder and faster, so I let it all out and banged her for all I was worth. I was rewarded with her cunt squeezing my cock hard as she came, but she kept the pace up all though. As her orgasm subsided she slowed a little. We swapped to missionary position on the bed as we were both tiring, and again she controlled the pace. Soon we were up to speed again and I could feel my jizz boiling up for a second go! I held it back though as she came again. This time, I could see she was spent for a while so I pulled out and sprayed her with another helping of jizz!

I COULD FEEL MY JIZZ BOILING UP AGAIN

The next morning we fucked again instead of having breakfast and she allowed me to send you these pics! Look at those filthy holes!

Mark, Lancs.

in her crotch and breathed in her scent – it's so much stronger and sexier when it's soaked into a nice full bush.

At last, I took a little lick, just to get a taste of her, then sank my tongue deep in her hole. She started sucking my helmet hard, taking it right into her mouth, and even harder when I fingered her clit. I managed to bring her to one fucking juicy orgasm before I came too close to shooting my load.

Soon, though, I just had to let go and my spunk spurted out, soaking into her hair. She unwrapped it and turned around to look at me, the wet strands I'd cum stringing over her blonde hair – and she started to rub them all over her face.

This was just the first of many horny things we tried - another high point was our first full fuck – I switched out the light but trained the reading lamp on our crotches, like a little spotlight. I'm quite dark and watching my black pubes and her natural blonde bush pressing against each other as my juice-soaked prick pumped in and out looked every bit as good as it felt.

She's probably my perfect woman! But you can share her!

Jason, Exeter.

Gym Bunny

As a woman in my twenties, I get a lot of attention off the blokes at the gym– and why not? I work hard at staying and looking fit!

One day I was on the exercise bike and this guy Andy was doing weights and I knew he was staring at my arse in between sets of lifts. So, any time he paused, I'd started pedalling harder, wiggling my arse against the saddle.

"Worked up a bit of a sweat there?" I said, a bit sarkily, and if he hadn't been red from the weightlifting and wanking, I reckon he'd have blushed all over.

I led him out to the corridor, had a quick look around then nipped into the sauna. There was an out of order sign hung on the door, so I guessed we wouldn't be interrupted.

Next up, I got my tits out of my top and he immediately started sucking on my nipples. I dropped my trackies and knickers all in one, then shoved his head downwards – I'm maybe not as strong as Andy, but I pushed hard enough he got the message.

I leaned back against the door, to be sure nobody would just walk in, then I left it to Andy.

I let him take in the sight of me, then grabbed his hair and pulled his face in between my legs, spreading and angling myself so he could lick me.

He said he'd make me cum quicker and harder, so I used my fingers to splay my slit open. I can't fault how he went down on me, tonguing me frantically as I moved my crotch on his mouth.

I moaned so loud when he stuck his cock up me, I had to bury my face in his shoulder in case someone heard. Plus, I got even more horny when he stuck two wet fingers up my arsehole.

CATH, S. WALES

I SAID IT WOULD BE A TRAGIC WASTE OF A HARD-ON

I started cumming, telling him to fuck me hard and not hold back. And then he started cumming too, filling my pussy full of jizz.

I teased him again, telling him I should have him chucked out of the gym for ogling, stalking and indecent behaviour. He actually looked worried for a second!

Cath, S. Wales.
